The screenshot displays the IBM Cognos Analytics interface. The main content area shows a table titled "Product Name and Profit" with two columns: "Product Name" and "Profit". The table lists various products and their corresponding profit values. On the left sidebar, there are several cards: "Cards" (top), "Profit by Product Name" (a bar chart), "Product Name and Profit" (a table preview), "Row ID by Category" (a table preview), and "Data relationships" (a diagram). On the right sidebar, there are sections for "Fields" (Columns), "Local filters", and "OneDrive" (a notification). The bottom of the screen shows a Windows taskbar with various application icons and a system tray with weather and time information.
